Title _____

Field _____

Length of project _____

Expected award at completion _____

Collaborating partners _____

Funding _____

4. Copyright and use declaration

To The Librarian of University of Southampton Library, Highfield, Southampton SO17 1BJ

Please supply me with the thesis work detailed in Section 2 above, which I wish to use for the purpose of the research project detailed in Section 3 as above.

 I hereby declare and undertake that:

(a)   I understand that copyright in the thesis remains with the author unless otherwise identified in the body of the thesis itself; and

(b)   I will not plagiarise from the thesis in my own research outputs or publications or otherwise; and

(c)   I will ensure that the use of the thesis is duly acknowledged in any of my research outputs or publications and quotations from the thesis are correctly referenced; and

(d)   The research project identified in Section 3 is not commercial research and I am not receiving a fee for the carrying out the same; and

(e)   I will only use this thesis for the purpose of carrying out my research project identified in Section 3 unless I have the prior written approval of the University of Southampton and the Author; and

(f)   The presence of images in the thesis does not imply that they have been copyright cleared for further usage

(f)   I will not print more than one copy of the thesis; and

(g)   I will not make any further copies of the thesis, whether electronically or in print form; and

(h)   I will not supply a part of or the complete thesis to any person in print or via email or in any other format, and I will not post the thesis (or a part of it) on any website; and

(i)   I will destroy any electronic copy of the thesis on completion of my research; and

(j)   I will comply with all applicable requirements of data protection and privacy laws (including all relevant obligations that apply to me under the EU General Data Protection Regulation, and the UK Data Protection Act 2018) in respect of the processing of any personal data included within the thesis. To this end, processing is defined broadly to mean doing anything with personal data, such as collecting, recording or holding the data as well as disclosing, destroying or using the data in any way

I understand that any breach by me of the above declaration and undertakings could be a direct infringement of copyright and/or data protection law. I also acknowledge that my actions could result indirectly in an infringement of copyright and/or data protection law by the University of Southampton in supplying the thesis to you in fulfilment of your request. I agree to indemnify the University of Southampton for any costs or damages suffered by or payable by it as a result of any breach by me of the above declarations and undertakings.

Personal signature of the person making the request
(a stamped or typewritten signature, or the signature of an agent is not acceptable)

_____**Date:**_____
