

Emails received from Primary students in year 4,5 & 6 following an astrodome visit and the Aliens in the Universe Talk.

To Sadie,

Thank you for brining in the astrodome so all of Foxes and Otters get to go in and see it.

It was the best day of my life.

I hope you write back.

from Cole

To Sadie,

thank you for the website and I saw the bear and stuff like that.

Kind regaurds Cole

Dear Sadie,

Thank you so much for the talk about life on other planets and for bringing in the astrodome.I thought both were awsome!

I loved going through the astrodomes doors but I thought laying down watching astonamer was amazing It was one off the best things ever!!!!

I learned that are planet is in the perfect spot for life but there could be life that dosn't need it.

When you went we had the best sleepover!!!! We went star gazing I saw the sauce pan and the milky way!! We had a movie, hot chocolate with cream and marshmallows, we

had smors and went to bed a half twelve!!!!

It was a great day. Thank you so much!!!!

Kind regards

Dear Sadie,

the astrodome was great(: !

We had a sleep-over at school the exact same day and that was
good as well!

We played games,star gazes,had hot chocolate and slepted
together!

Basically we had a BRILLIANT time!

Thank you for brining the astrodome for us .

Bye(:
